Forecast For Southwest England
Issued by Met Office Exeter
at 1600 on Thursday 22 Jul 2021

++ Valid for broadcast between 1800 and 0600

Headline:
Another dry evening with clear spells overnight. Feeling warm.

This Evening and Tonight:
Any showers quick to die out as the skies clear for a fine evening. Remaining very warm overnight, a tropical night likely for western parts. Cooler along the south coast. Minimum temperature 15 deg C (59 deg F).

Friday:
Largely dry and very warm with sunny spells and very isolated showers. Turning cloudier later as heavy, thundery rain approaches from the south, reaching all overnight. Windy in exposed areas. Maximum temperature 27 deg C (81 deg F).

Outlook for Saturday to Monday:
Temperatures dropping to around average during this period. Blustery, heavy, slow-moving and possibly thundery showers on Saturday and Sunday with some sunny intervals. Humid, with lighter showers Monday. Breezy.
